

APICEE – 2026

The 11th Asia Pacific International Conference on Emerging Engineering (APICEE) will be held at the **Swedish College of Engineering and Technology, Rahim Yar Khan, Pakistan, from 07 -08 February 2026**. The purpose of the conference is to provide an international forum for the cross-fertilization of ideas from academic researchers, practicing engineers and industry representatives in emerging engineering areas related to Electrical Engineering, Communication Engineering, Electronic Engineering, Computer Engineering, Software Engineering, Civil Engineering, Mechanical Engineering, Robotic, Control System, Embedded Systems and allied fields in general. The conference will include presentations of technical papers and keynote talks on issues of contemporary significance in electrical systems, networks, signal processing, artificial intelligence, control theory, power engineering and other areas of Electrical Engineering, Communication Engineering, Electronic Engineering, Computer Engineering, Software Engineering, Civil Engineering, Mechanical Engineering, Robotic, Control System, Embedded Systems and related aspects of modern power systems.

Paper Submission Link: [Contact: Rao Hamid \(0332 8464002\)](https://easychair.org/conferences?conf=apicee26)

EasyChair Paper submission: <https://easychair.org/conferences?conf=apicee26>

If you feel difficulty in submitting, send the paper to apicee20@gmail.com

CONFERENCE TRACKS **Gala Dinner: 17 January 2026**

1. Electrical Engineering *** **Important Dates** ***
 2. Biomedical Engineering
 3. Mechanical Engineering
 4. Civil Engineering
 5. Computer System and Software Engineering
 6. Innovation and Technology Development
 7. Environment and Earth Sciences
 8. Medical Sciences
 9. Social Sciences
- Paper Submission Deadline: 30th November 2025**
Notification of Acceptance: 30th December 2025

Conference Venue
Swedish College of
Engineering and
Technology
Rahim Yar Khan

Camera Ready version due: 05th January 2026

Conference presentation: 16th – 18th January 2026

*** Submission ***

Conference Chair: Dr Mohsin Jamil

Brock University, Canada

Papers must be unpublished and original. Double submissions are strictly disallowed. All papers will undergo a rigorous peer-review process and will only be considered for publication if a favourable decision is given by the subject matter experts conducting peer review.

ALL ACCEPTED PAPERS WILL BE PUBLISHED IN HEC JOURNALS.

1. Pakistan Journal of Scientific Research
2. Pakistan Journal of Science.
